

UJ-240
Panasonic (Matshita)
6X write BD-R drive

Blu-ray and DVD writers with Panasonic, HL, TEAC and Sony-NEC components

Source your Blu-ray and DVD writers from a supplier with more than six years of experience. We ensure reliable quality by using internal components from reputable suppliers such as TEAC, Panasonic, Sony-NEC, Hitachi-LG, HP, HL, Dell and Apple. Our lineup includes BD writers, BD-ROM, DVD-RW, Combo and CD-ROM drives and more. We even offer power adapters and Wi-Fi cards for use with Apple laptops. We have no minimum order quantity, and can have ready-made items shipped out in as fast as one day. Inquire today.
